

# School Donor & Sponsor Onboarding

Transparent - Auditable - Community-powered

## Welcome to the School Innovation Vault

The School Innovation Vault is a transparent, on-chain multi-sig vault used to fund school-wide improvements, technology upgrades, enrichment programs, and community partnerships. Every donation is publicly visible and fully auditable. SD Advisory Group NEVER holds keys and NEVER touches donated funds. We ONLY provide the infrastructure.

## A Better Way to Support a School

Traditional donations disappear into broad budgets. With the School Innovation Vault, every deposit, balance change, and withdrawal is visible 24-7. Nothing is hidden, and every dollar is accountable.

## Zero-Custody by SD Advisory Group

SD Advisors is NOT a custodian. We do NOT hold private keys, do NOT sign transactions, do NOT approve withdrawals, and do NOT manage or move funds. The multi-sig keys belong ONLY to: - School Official - Independent Trustee - Community Representative All withdrawals require 2 of 3 signatures.

## How the School Innovation Vault Works

1. Donations go directly into the on-chain vault. 2. Funds are protected by a 2-of-3 multi-sig. 3. All transactions are publicly visible. 4. There is no time lock, but every withdrawal is accountable. 5. Spending decisions require multi-sig approval and appear on-chain immediately.

## What Your Donation Supports

Your donation strengthens the entire school community through: - Innovation and technology - Classroom and campus upgrades - Educational partnerships and guest instructors - Student development programs and workshops - Micro-school expansion and enrichment

## Why Donors Trust the School Innovation Vault

✓ Fully transparent spending ✓ Distributed control (no single point of failure) ✓ Permanent public ledger ✓ Community-powered decision-making ✓ Zero custody by SD Advisors

## What Makes This Different

Unlike traditional donation systems, the Vault provides: - True transparency - True accountability - True community oversight - True protection from misuse

## How to Donate

1. Access the School Vault dashboard. 2. Send your donation using the displayed address or QR code. 3. Verify your transaction instantly on-chain. 4. Watch the vault fund real improvements over time.

## Ongoing Donor Visibility

You can revisit the vault anytime to track: - Total donations - All spending decisions - Withdrawal memos - Remaining funds - Multi-sig activity

## FAQs for Donors

How do I know my donation reached the vault? Each donation appears publicly on-chain. Who controls the funds? A School Official, an Independent Trustee, and a Community Representative. SD Advisors NEVER holds keys. Is the donation time-locked? No. The school may use funds as needed, with multi-sig approval. Can I see how funds are used? Yes. Every withdrawal is timestamped, public, and auditable. Do I need crypto experience? No. Donating is as simple as scanning a QR code.

## Closing Message

Your donation becomes a visible, verifiable investment in the school community. You are not just giving — you are helping build a transparent, future-ready educational ecosystem. Empower schools. Transform communities. Sovereign Wealth Architecture — Powered by Self-Defi.
